

Terms of Business

The Financial Conduct Authority (FCA)

The FCA is the independent watchdog that regulates financial services. Please use this information to decide if our services are right for you.

Who regulates us?

Campton Insurance Brokers (UK) Ltd is authorised and regulated by the Financial Conduct Authority. Our FCA number is **307338**. You can check this at <http://www.fsa.gov.uk/register/home.do> or by contacting the FCA on 0800 111 6768. Our permitted business is advising on, arranging and assisting in the administration and performance of a contract of insurance. We are also authorised and regulated to carry on credit broking.

Our Service

We are an Insurance Intermediary and as such we act as the agent of our client. However, in certain circumstances we may act for and owe duties of care to other parties. We will advise you when these circumstances occur so you will be aware of any possible conflict of interest.

We will advise and make a recommendation for you after we have assessed your insurance needs. If we are unable to make a recommendation or offer advice or where your requirements cannot be fully met we will provide you with enough information to enable you to make an informed purchasing decision.

We will assist you in effecting any changes that you need to make to your insurance policy, with the renewal of your insurance policy and with any claim you need to make.

We are also a credit broker in that we introduce those wishing to pay by instalments to firms that are able to lend money under a regulated credit agreement by way of business.

Whose Products We Offer

In most cases we will carry out a 'fair analysis' of the market to identify a suitable product. This means that we will compare products from a sufficiently large range of insurance providers in terms of cover, price, quality of service and other relevant features to select appropriate policies for you. If this is not the case we will advise you of the breadth of our marketing prior to inception of the policy.

In respect of Motorhome Insurance, Vintage Car insurance, Breakdown insurance, Legal Expense and other "Add-On" insurance products we only arrange cover with a small number of insurers.

For those wishing to pay by instalments we only introduce clients to Premium Credit Ltd. We will advise you if competitive credit terms are available through your Insurer or, you have the option of sourcing your own credit agreement.

Remuneration

We receive commission from insurers which is a percentage of the premium paid by you and allowed by the insurers. In addition, we may charge a professional fee to cover the placing and ongoing handling of your insurance. We normally make the following standard charges to cover the administration of your insurance:

Arranging new policies and renewals:	£ 25.00*
Mid-term adjustments including cancellations:	£ 25.00
Replacement/duplicate certificates or cover notes:	£ 25.00
Arranging Finance	£ nil (the Finance Company make a charge for credit)

***From time to time depending on the work and risk involved it may be necessary to charge greater fees. The specific amount and purpose of any professional fee and administration charges will always be advised to you in advance.**

We earn the entirety of our commission and/or fees when your risk is successfully placed and take our commission and/or fees immediately upon receipt of payment unless agreed otherwise with your insurer.

Disclosure of Earnings

You are entitled at any time, to request information about earnings that we, or any other intermediary we have used, receive as a result of placing your business. In addition to commission from insurers, we may also receive payments based on volumes of business or profitability of the account placed with them. These payments can vary from year to year. Such remuneration is only earned on the basis that it does not detract from our obligation to act in our client's best interest at all times.

Payment Terms

We normally accept payment by cheque, BACS or debit card. We require full payment of the premium before inception of the Policy for General Insurance and within 14 days for Commercial Insurance. You may be able to spread your payments through a credit scheme either run by your insurer or by a finance provider and we will advise you further if these options are available.

How we will handle your money

Our Non-Statutory Trust account has been set up in accordance with strict rules laid down by the Financial Conduct Authority. We are the Agent of Insurers for the collection of certain premiums and hold your money on a risk transfer basis. If the Insurers do not cascade Risk Transfer to us, we will ask you to pay them direct. In arranging your insurance, we may employ the services of other intermediaries who are Authorised and Regulated by the FCA and your premium may be passed to these intermediaries for payment to insurers. Any interest, or investment returns, earned on your money whilst in our possession will be retained by us.

Mid-term adjustments or cancellations

In the event of an adjustment that results in a return of premium or cancellation mid-term we will refund the premium due net of our full commission and any charge made by insurers. Where the premium is being paid by instalments we will claim our full commission along with any charge made by the insurers in the calculation of any outstanding monies.

Cancellations due to premium instalment default

If any credit agreement payment is not met, you acknowledge and agree that we may instruct on your behalf the relevant insurer to cancel the insurance and to collect any refund of premiums which may be made by the insurer and use it to offset any outstanding costs. Cancellation of the insurance policy will mean there is no cover in force should a claim occur.
